

TPG PRIVATE EQUITY OPPORTUNITIES, L.P.

AUDIT COMMITTEE CHARTER

This charter sets forth the purpose, authority and responsibilities of the audit committee of the Board of Directors (the “Board”) of TPG Private Equity Opportunities, L.P., a Delaware limited partnership (the “Fund”).

I. Purpose

The audit committee (the “Committee”) is appointed by the Board to monitor, pursuant to authority delegated to it by the Board, (i) the adequacy of the Fund’s accounting and financial reporting processes, policies and practices, (ii) the integrity of the financial statements of the Fund and the independent audit thereof, (iii) the adequacy of the Fund’s overall system of internal controls and, as appropriate, the internal controls of certain service providers, (iv) the qualifications and independence of the Fund’s independent registered accounting firm (the “independent accountants”), and (v) the performance of the Fund’s internal audit function, if any, and the independent accountants.

II. Committee Membership

The Committee shall be comprised of the number of Independent Directors as the Board shall determine from time to time, such number not to be less than one. The Committee shall be comprised solely of Independent Directors. For purposes of this Committee Charter, “Independent Directors” are members of the Board who are “independent” (as such term is defined in Section 303A.02 of the New York Stock Exchange Listed Company Manual or such other policy as determined by TPG Private Equity Opportunities GenPar, L.P. (the “General Partner”). The Board shall designate the members of the Committee. The Board shall have the power at any time to change the membership of the Committee, to fill all vacancies and to designate alternate members to replace any absent or disqualified members, so long as the Committee shall at all times have at least one member and be composed solely of Independent Directors. The Board shall select the Committee’s chair.

No member of the Committee may serve on the audit committees of more than three public companies, including the Fund, unless the Board determines that such simultaneous service would not impair the ability of such member effectively to serve on the Committee. For the purposes of this determination, service on multiple audit committees within the same fund complex shall be counted as service on a single audit committee.

The Committee shall at all times have at least one member that has accounting or related financial management expertise, as the Fund’s Board interprets such qualification in its business judgment and all members of the Committee must be financially literate, as such qualification is interpreted by the Fund’s Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee.

As a matter of best practice, the Committee will endeavor to have at least one of its members with the requisite qualifications to be designated by the Board as an “audit committee financial expert” (“ACFE”), as such term is defined by the Securities and Exchange Commission. To that end, the Committee shall consider at least annually whether one or more of its members qualifies to be designated by the Board as an ACFE. The Committee shall report the results of its deliberations to the Board for further action as appropriate, including a determination by the Board that the Committee membership includes or does not include one or more ACFE(s) and any related disclosure to be made concerning this matter. If a vacancy

on the Committee exists due to the retirement or resignation of a member of the Committee who has been designated as an ACFE, the Board will endeavor to fill such vacancy with another ACFE as soon as reasonably practicable thereafter. The designation of a member of the Committee as an ACFE does not increase the duties, obligations or liability of the designee as compared to the duties, obligations and liability otherwise imposed on the designee as a member of the Committee and of the Board.

III. Authority

The function of the Committee is oversight. Management¹ is primarily responsible for maintaining appropriate systems for accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent accountants are primarily responsible for planning and carrying out proper audits of the Fund's annual financial statements in accordance with generally accepted accounting standards. The independent accountants are accountable to the Board and the Committee. The Committee has the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent accountants. The Independent Auditors shall report directly to the Committee.

Members of the Committee are not full-time employees of the Fund or management. Accordingly, it is not the duty or the responsibility of the Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures, to determine that the Fund's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to set auditor independence standards. Each member of the Committee shall be entitled to rely on (i) the integrity of those persons within and outside the Fund and management from which it receives information, (ii) the accuracy of the financial and other information provided to the Committee absent actual knowledge to the contrary (which shall be promptly reported to the Board) and (iii) statements made by the officers and employees of the Fund, its general partner, management company, or other third parties as to any information technology, internal audit and other non-audit services provided by the independent accountants to the Fund. In carrying out its responsibilities, the Committee's policies and procedures shall be adapted, as appropriate, to best react to a changing environment.

The Committee has been duly established by the Board and shall have the resources and authority appropriate to discharge its responsibilities. The Committee has the authority and responsibility to retain and terminate the Fund's independent auditors. In connection therewith, the Committee must evaluate the independence of the Fund's independent auditors and receive the auditors' specific representations as to their independence.

The Committee shall have the authority to create subcommittees with such powers as the Committee shall from time to time confer. The Committee may delegate any of its responsibilities set forth in Section IV below, including its pre-approval responsibilities, to a subcommittee consisting of one or more of its members. The member(s) to whom any pre-approval responsibility is delegated must report, for informational purposes only, any pre-approval decisions to the Committee at its next scheduled meeting.

The Committee shall be given the resources, as determined by the Committee, for payment of (i) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an
